Dear WAC Members and Friends,

We are most fortunate to have such a terrific accordion club! Every time we get together we enjoy another top-notch evening of superb music. Happy to say, WE may all be getting a bit spoiled!

In May, Bruce Hunsaker and Yvonne Mueller treated us to a delightful evening. They took us to many far-away places musically speaking---from Gypsy camps, to many of our favorite spots throughout Europe, across the ocean to Ireland, south to Mexico, and then back again---to wherever we wanted to go! They both made it an outstanding evening in every way. Besides their music being beautiful and well executed, I felt inspired and uplifted as they shared their talent and love for the accordion. I cannot help but learn something new from such genuine musicians, albeit poise, delivery or technique. Thank you, again, Bruce and Yvonne.

[Dick Contino must have been very pleased (perhaps from Heavenly perches), as he heard Yvonne's rendition of 'his' signature piece, "Lady of Spain". Yvonne made this piece especially fun and pleasant to listen to, with just the right amount of bellow shakes!!!]

On JUNE 5th, we are excited to welcome Wayne Eckman back! He always provides a wonderful program. In the past his programs have included his talented wife Julie, playing the violin, as well as other talented members of his family. We look forward to hearing Wayne and whatever surprises he may have.

Because of the July 4th holiday, our JULY WAC meeting will be on July 10, the second Monday of the month. This is an open mic night and we are already looking forward to hearing from many of YOU. Keep practicing your favorite pieces!

We appreciate the members who attended the Camp Concerto Concert and know that they were treated to an evening of wonderful music. A highlight of the evening was guest artist Gordon Kohl.

We hope you are all having happy summer days by now. Surely the snow and hailstorms are really behind us. [It IS still snowing in Greenland, however.] By this JULY, 'snow' may even sound good again, right? NO??? Oh well...to each his own.

Take care, safe travels, and have fun in the sun!

Warmly,

Jenny Robinson
