Dear WAC Members and Friends,

Everyone enjoyed hearing Kevin, Pamela and Mark at our September meeting. Kevin Scott (Christensen) royally entertained us with a great variety of polkas, show tunes, and dances. Mary Thomason, Shireen Mooers, Marianne Fraser and Dave Marasco were good sports in participating in *The Egg Dance* as were several other members who participated as bell players performing *Do Re Mi*. Everyone seemed to have fun.

Pamela's clarinet playing added a lot to the evening. She knew what she was about, even when Kevin was pretending that she didn't. THAT is show biz! When she had to switch over to a new reed in the middle of the program, Kevin's comment was "She has the weirdest chewing gum!" The percussionist Mark had a very pleasant tenor voice, besides being fun to watch as he kept all the rhythms going in the right direction; I especially enjoyed watching his deadpan facial expressions, which led one to believe that he was zoned out, except that he was NOT one bit zoned out! They made a great musical show of everything they did. Kevin told a very entertaining story about having just returned from Boulder, UT, and playing at a Serbian wedding, where he had to literally hike up and down hills as he played the same song for over 45 minutes. This takes 'strolling' to a whole new height!!

Jim Jensen, who is a local favorite at many venues around the valley including the Huntsman Cancer Institute, has agreed to play for us at our October 2nd meeting. Jim has to his credit the composition of the song "A Sacred Child is Born" performed by the Mormon Youth Symphony and Choir. We look forward to hearing from Jim!

LOOKING FURTHER AHEAD, our Christmas Party will be on December 11th, the 2nd Monday of December. Stay tuned for more details. This meeting is traditionally open mic, so begin thinking about which Christmas songs you would like to play for the group.

For those of you looking to order your favorite chocolate-covered crickets, call 1-800-EAT-WORM to place your order! *Jenny says YUM!*

We are looking forward to seeing you all on October 2nd... Please keep those mini-bios coming...we have more exceptional stories to share with you.

In closing, I must say that it is a relief to finally be able to relax into the cooler temperatures of autumn, after our long, hot, sizzling summer.

Warmly!!!

*Jenny Robinson*
