February 1, 2018

Dear WAC Members and Friends,

We hope you have been enjoying the quieter days of January...with more daylight heading your way each and every day since December's Solstice.

We were well serenaded by the "Tremont Trio" at our January meeting. [This is not their real name, but we had fun calling them that!] Bart Chadaz played the accordion beautifully (of course) and Dave Deacon played a very 'hot' guitar. Their vocalist was Amy Rowan. (Amy is a dynamic mezzo-soprano who has been joyously singing ever since she was 3 years old.) The three of them played and sang a variety of 'evergreen' love songs, standards and favorites from the 60's and 70's, that don't ever go away. One member said to me, "It was relaxing music that made me smile."

They finished with "Jambalaya". It is the perfect signature song for them, because it totally sums up and captures their very-alive, energetic style, in everything that they play. Thank you Bart, Dave and Amy, for making the evening such a wonderful success!!!

NEXT UP on February 5th, we will be featuring Garry and Mindy Garff with their Celtic band known as "SHILAYLEE". If you've never heard them perform, you are in for a royal treat. Invite your friends and neighbors...they will be glad that you did!

One never knows what the sidelights are going to be at our meetings. Last month we had a 'happy sock' contest between Kent Peterson and Dave Marasco (of course). This sock-hop-kind-of-fun will apparently continue into February; rumors are already flying that MORE happy socks will be showing up.

We would like to extend a warm welcome to our newest club members: Glen Feulner and Garry and Mindy Garff. We will be hearing more of their 'stories' at a later date.

On a more business-like note, at our January meeting, the current officers were reinstated for 2018. We would like to thank YOU for your very loyal, ongoing support. It is greatly appreciated!!!

Looking forward to seeing you all at Kowloon, SOON!

Chirpingly yours,

Jenny Robinson

PS: In case you were wondering, apparently SOME bugs were big news at the Sundance Film Festival. IF you ate the right bug at the right time, YOU could win a trip to the Amazon. What will these virtual reality programs think up next?

PPS – Paul says – Make sure to see the POLKA KING streaming on Netflix!
